

RU 2020 GRG Student's Profile

Justin Amani Basengere

University: Universite Evangelique en Afrique, DRC

Program: M.Sc. in Agronomic Sciences and Environment

GRG Project: Improving animal productivity by developing local food resources in South Kivu, eastern Democratic Republic of Congo.

Research Focus: The dynamics of small pest ruminants in South Kivu, Congo: Spatio-Temporal distribution ruminants

About me: My interests are animal production and health, specifically Virology. I am highly motivated to contribute knowledge on animal health management and mitigating greenhouse gas emissions from good animal husbandry practices. I enjoy reading, writing, dreaming, thinking, talking and listening. I also enjoy exploring, interacting with international audiences and enjoying the atmosphere of cultural venues. I like to experience international audiences and enjoy the atmosphere of cultures.

My favourite quote:

“One of the first conditions of happiness is that the link between man and nature shall not be broken.” —*Leo Tolstoy*
